

## 2009 Spring Youth Development Clinic Soccer Program U-7 through U-9 Boys and Girls

---

Under the direction of Peter Kaminskas, Freestate will offer a Soccer Development Clinic, starting April 15, 2009.

This Clinic mixes skill development and actual small sided games. The program is designed to create an environment where kids will get a lot of "touches" on the ball, work with teammates, and develop an understanding of the finer points of the game.

### **Program Details:**

- Eligible players include the ages 7 through 9, boys and girls.
- Spring Program runs from April 15 through May 27 for 7 weeks.
- Age group specific curriculum.
